To get a complete list of services we cover, call us and ask for the "Evidence of Coverage." You can also see the Evidence of Coverage on our website, www.lablue.com/blueadvantage.

You have choices about how to get your Medicare benefits

- One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.
- Another choice is to get your Medicare benefits by joining a Medicare Advantage health plan (such as **Blue adVantage Thrive (PPO)**).

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **Blue adVantage Thrive (PPO)** covers and what you pay.

- If you want to compare our plan with other Medicare Advantage health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder at www.medicare.gov/plan-compare.

Who can join?

To join **Blue adVantage Thrive (PPO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and you must live in our service area. Our service area includes these parishes in Louisiana: Acadia, Allen, Avoyelles, Beauregard, Bossier, Caddo, Calcasieu, Cameron, Catahoula, De Soto, East Carroll, Evangeline, Franklin, Iberia, Jefferson Davis, Lafayette, LaSalle, Lincoln, Morehouse, Ouachita, Richland, Sabine, St. Landry, St. Martin, St. Mary, Tensas, Vermilion, Vernon, Webster, West Carroll and Winn.

Which doctors, hospitals, and pharmacies can I use?

Blue adVantage Thrive (PPO) has a network of doctors, hospitals, pharmacies, and other providers that can be found on our website at www.lablue.com/blueadvantage.

What do we cover?

Like all Medicare Advantage health plans, we cover everything that Original Medicare covers – and *more*. Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs including chemotherapy and some drugs administered by your provider.

- You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.lablue.com/blueadvantage.
- Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

Our plan groups each medication into one of five "tiers." You will need to use your formulary to locate what tier your drug is on to determine how much it will cost you. The amount you pay depends on the drug's tier and what stage of the benefit you have reached. Later in this document we discuss the benefit stages that occur: Deductible, Initial Coverage, and Catastrophic Coverage. If you have questions about the different benefit stages, please contact the Plan for more information or access the *Evidence of Coverage* on our website.

- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- ☐ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2028.
- ☐ Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care. In addition, you will pay a higher copay for services received by non-contracted providers.
